Dear Community Sponsor,

Imagine you are sitting in a high school football stadium on a Friday night. The WHS Marching Band is playing while fans excitedly shout and cheer. The stadium is packed full of spectators when you hear your company name over the loudspeaker as the crowd goes wild in honor of your support for the program.

Teamwork is what makes the WHS Band Program such a sensational experience for students. This year, more than 110 instrumentalists and color guard students will spend hundreds of hours preparing to entertain roaring crowds at football games, parades, and competitions, including the Bands of America Regional Competition at East Tennessee State University in October 2023.

Historically, the WHS Marching Band has competed at a high level for many years, earning 15 Grand Championships in the past 10 years, and is a two time Bands of America Regional Finalist.

We need you to continue this stellar program. As you may know, funding for fine arts programs in schools tend to be limited, especially for extracurricular activities like marching band. Your support will help us purchase new instruments and marching uniforms, attend state and regional competitions like the Bands of America competition, and keep participation costs down for our students and families.

It's easy to sponsor the WHS Marching Band. All you need to do is complete the sponsorship form using the QR code. If you have questions, you can reach us at whsbandoffice@fcboe.org.

Thank you in advance for supporting our fabulous and hard-working students. We look forward to hearing your company's name over the loudspeaker at football games.

Go Cats!

Sincerely,

WHS Band Booster Executive Board
